

**TH GROUP - VISIONARY BUILD AND ARCHITECTURE**  
Architect · Civil Engineering · Landscape Architect · Contractor

TH GROUP is a Danish architect, engineering, landscape architect and construction company that develops and builds unique properties and exterior facilities for an exclusive clientele.

TH GROUP offers everything in Danish design; new build, modernization, refurbishment and extension. The choice of materials is closely aligned with function and design for complete enjoyment.

TH GROUP creates seamless and integrated solutions inside and outside – concept and function without comparison and with a consistent finish down to the smallest detail.
